

# ORTHODOX CHRISTIANITY *and* HUMANITARIANISM

Ideas and Action in the Contemporary World

Sponsored by the Greek Orthodox Archdiocese of America's **Office of Inter-Orthodox, Interfaith and Ecumenical Relations**, the focus of this colloquium is an inquiry into Orthodoxy Christianity's theology of engagement in humanitarianism. The goals are:

**1** To begin to excavate Orthodox ideas and practices, historically and currently, on urgent questions and needs of humanitarianism, towards clarifying future research and action agendas.

**2** To bring together scholar-practitioners to brainstorm and to build networks amongst those interested in and dedicated to the engagement between ideas and action in Orthodox global humanitarianism—i.e. lived theology.

**MAY 7-8, 2015** at  **Hellenic College  
& HOLY CROSS**  
Greek Orthodox School of Theology
